Kyoto Woodshop Reference Aesthetic Adapted for IIT Kanpur

Quiet focus meets deliberate connection.

Campus Duo unites rigorous course-grounded study partnerships with consent-first peer discovery and real-time PK Kelkar Library study table reservations. Designed exclusively for IITK students.

Explore Functional Preview | View Scope Specification

Course Matcher
Target shared courses (CS455, MTH101), sync revision paces, and partner up with accountability.

Consent-First Social
Strictly independent opt-in. Explore clubs, sports, and hobbies with mutual contact reveal.

Table Reservations
Reserve shared study spots at PK Kelkar and CC with instant collision checking.

Design System Primitives & Interaction Sandbox

Testing buttons, inputs, accessibility states, badges, and focus rings.

Button Primitives

Supports primary, ember-accent, outline, ghost, danger, and async loading states.

Form Input & Validation

Includes accessible labels, aria-invalid attributes, helper text, and error states.

Design System Primitives & Interaction Sandbox

Testing buttons, inputs, accessibility states, badges, and focus rings.

Button Primitives

Supports primary, ember-accent, outline, ghost, danger, and async loading states.

Ember Accent | Default Primary | Outline | Ghost | Danger

Simulate asynchronous mutation: Trigger 1.5s Loading Spinner

Form Input & Validation

Includes accessible labels, aria-invalid attributes, helper text, and error states.

STUDENT ROLL NUMBER *

210642

Must be a valid 6-digit IIT Kanpur roll number.

ENROLLED COURSE CODE

CS455

Course code is locked in this preview state.

Status & Categorical Badges

JetBrains Mono metadata, status dots, and campus interest category markers.

CS455 | MTH101 | ESC102 | AI Match 94% | Available | Reserved | Occupied

Robotics Club | Competitive Programming | Badminton | Western Music

AI Match Reasoning Card

92% Compatibility

Demonstrates REQ-AI-01: Transparent, non-opaque recommendation factors.

- Enrolled in CS455 (Computer Networks) this semester
- Prefers quiet problem-solving study style
- Free slot overlap: Monday & Wednesday 16:00 – 18:00
